

LA FUERZA

THE FIRST VERMOUTH FROM THE ANDES MOUNTAINS

ABOUT THE SPIRIT

La Fuerza Vermouth is made from Malbec (Rojo) and Torrontes (Blanco & Primavera) grown at the foothills of the Andes in Mendoza. It is made using 4 hand-harvested botanicals native to the Andes. The entire process from gathering plants, distillation, and bottling takes place in Mendoza.

La Fuerza was founded by four friends with years of experience in drinks and gastronomy: Martín Auzmendi, Agustín Camps, Julián Díaz and Sebastián Zuccardi.
