

KOMÉ COLLECTIVE WORLD SPIRITS PORTFOLIO

CAMBRIDGE TRUFFLE GIN

Noted as the world's first digestif gin, Truffle Gin was created as a result of the Master Distiller's desire for flavours typically associated with extended maturation.

Made with white Alba Truffle, Juniper, and proprietary botanicals. A bold, surprising gin with truffle-led nose where traditional Juniper perfectly complements rich, earthy notes that evoke fresh pine followed with a long, expressive finish.
